# Introducing **EMBROIDERY SUPPLIES**

## Thread the Needle with Lawson

Lawson now sells embroidery thread, bobbins, scissors, Organ sewing needles and a complete assortment of cutaway and tearaway backings. Lawson's **Robison-Anton's** threads will be available in over 450 Pantone® licensed colors on King Spools for commercial and home sewing. All embroidery items will be available on the Lawson eStore and feature **FREE SHIPPING**.

Offering embroidery thread and supplies allows Lawson to become a more complete supplier to you. These great quality products at competitive pricing advances Lawson's motto to "Make It Simple." No matter what type of garment decoration you do, be it screen and DTG printing or embroidery, Lawson offers unparalleled **24/7/365** support.

### EMBROIDERY THREAD

Robison-Anton has the market's leading thread. With many Pantone licensed colors, Lawson Screen & Digital offers a variety of the Robison-Anton Super Brite Polyester embroidery thread in king size spools.

**King Size Spools**

ST. LOUIS | ATLANTA | NATIONWIDE

## Pre-Wound Bobbins

The Tex 16 Poly Commercial L style white filament polyester (with sides) bobbin is a highly popular item. It is suitable for all embroidery applications. Comes in 132 yards.

**144 Bobbins per Box**

## Curved Blade Embroidery Scissors

The curved blade scissors are used for detailed embroidery trimming. The blades are extra fine with sharp points. The scissors are 3-1/2" (89mm) with a cut length of 5/8" (16mm) and have ring handles.

\*Thread Clippers & Fine Point are also available

**1 Pair Each**

## Organ Needles

Organ needles are high quality sewing needles designed to match machines for maximum performance. Made from high carbon, silicone enriched steel. Use Organ needles to ensure smoother stitches, consistent quality and fewer thread breaks.

\*Regular Point & Ballpoint are available

**100 Needles per Box**

## Soft-N-Stable Cutaway Backing 2.5 oz

Soft to the touch and comfortable. It is lightweight for low to medium stitch count embroidery applications. Used most for knit caps, heavy fleecewear, light golf shirts, nylon jackets and windbreakers, along with turtleneck shirts.

\*3 oz Backing also available

**Sheets & Rolls**

## Tearaway Backing 1.5 oz.

General purpose with a medium-firm hand tearaway that is easily applied to the back of fabric. It is specially designed to be torn from any direction, no scissors necessary. It is a top choice for stable fabrics with a faster removal and no risk of damaging the work.

\*3 oz Tearaway Backing for Caps also available

**Sheets & Rolls**

## Water Soluble Solvy Embroidery Backing

Water soluble toppings, also known as Sol-U-Film and Solvy, prevent stitches from sinking into high profile fabrics such as fleece and terry cloth. Apply topping to the top of the fabric and remove it with steam or a fine water spray.

**10" & 40" Wide; 100 Yd Rolls**
