Kick-Start Your Future

The Lawson Kick-Start conveyor dryer is a compact, lightweight, portable and easy-to-use dryer. It is ideal for small production runs, on-site event printing, schools, labs and prototype testing.

The Kick-Start operates on standard 120-Volt, plug-in wiring, so it can be moved anywhere or loaded into a van. Set-up only takes a minute.

All Lawson equipment, including the Kick-Start dryer is part of Lawson's unique **Trade-In, Trade-Up** program, so you never have to worry about out-growing your dryer. This unit will provide the professional results your customers demand coupled with convenience and tremendous affordability.

Lawson's Kick-Start Provides:

- ✓ Compact and Portable Design
- ✓ 120-Volt; Standard Plug-In Wiring (optional 220-Volt available)
- ✓ Variable Temperature Controller
- ✓ Solid-State, Variable Belt Speed Controller
- ✓ Insulation Package for Energy-Efficiency
- ✓ Easy 4-Point Belt Tracking
- ✓ 2-Year Heater Warranty
- ✓ One-Year Parts Warranty
- ✓ **24/7/365 Technical & Print Support for Life**
